Attention: Behram Shroff

Dear Sir:

Your request for an extension of time for the Permit to Install issued to you is hereby granted.

Pursuant to rule 3745-31-06(C) of the Ohio Administrative Code, a permit to install can be extended on a one-time basis by twelve (12) months from the date upon which it would have otherwise expired (April 2, 1993). Therefore, this Permit to Install will now terminate on April 2, 1994.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Board of Review pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. It must be filed with the Environmental Board of Review within thirty (30) days after notice of the Director's action. A copy of the appeal must be served on the Director of the Ohio Environmental Protection Agency within three (3) days of filing with the Board. An appeal may be filed with the Environmental Board of Review at the following address: Environmental Board of Review, 236 East Town Street, Room 300, Columbus, OH 43215.

Very truly yours,

*Donald R. Schregardus*

Director
